Subject: FCC Strategic Plan & media consolidation

JUN - 2 2003

Federal Communications Commission
Office of the Secretary

A vote on Monday to further weaken FCC restrictions on media ownership would be in direct opposition to your stated strategic goal on media:

Media

Revise media regulations so that media ownership rules promote *competition and diversity* in a comprehensive, legally sustainable manner and facilitate the mandated migration to digital modes of delivery.

Defer the vote for further public review.

To seek a river's source is to seek our own, to turn and always return - to snow and mountains, to sea and sky, and always to water, always to the soul's deep springs, always to the flowing ungraspable image that forever runs free of all names and knowing, singing the story of its own being, bearing forth from distant passages its mortal and infinite nature.
